Hi Suzanne,

Thank you for your update on difficulties you are encountering on CDX. I am copying Seth and Martha to keep them in the loop. Also, I am copying Estrella to keep enforcement management informed, same for Claudia who is acting for the rest of the work week. I am attaching your earlier communications for everyone's reference.

FYI... just wanted to let you both know that IDA is indeed having connectivity issues here at AG through internet websites. We had a power outage last night and all our computers don't have internet access now in the office. I'm hoping it can be resolved soon to get the numbers and responses keyed into the CDX system.

I'll keep you update. SO SORRY!
